I am to acknowledge your letter of the 5th January last, enclosing transfer of the unpatented homestead of the late William Stewart from Peter Robertson, executor of the estate, to William J. Stewart, father of the deceased entrant and beneficiary under his will, and in reply to say your statement that the Soldier Settlement Board has consented to forego its interest in the land by reason of a loan granted to the late Mr. Stewart, is not borne out by the facts. The matter has been taken up with the Board who report that the charge cannot be released until the loan has been repaid in full.

However, it is understood that Mr. William J. Stewart will shortly be approached by the District Superintendent of the Soldier Settlement Board at Edmonton with a view to the execution of a transfer from himself to the Board which, with the transfer from Robertson to Stewart, may be forwarded to the Registrar of Land Titles for the district, attached to the grant of letters patent, in order that such transfers may be registered in process of law following registration of the grant from the Crown.

Dear Sir:

Re: William Demczuk

I have your letter of the 21st of March, 1935, relative to your enquiry as to the age of the above-named.

Our records disclose that one William Demczuk applied for homestead entry on the 6th of November, 1906, for the S.E.10-57-19 W.4th Meridian, and abandoned the same. We do not have any record of his age at that time.

This man again applied for entry on the 27th of May, 1911, for the S.E.9-60-15 W.4th Meridian, and abandoned the same on the 14th of July, 1911. He gave his age as 43 years, and that of his wife as 30 years, and also stated he had 2 children under 12 years.

He again applied for entry on the 18th of August, 1911, for the S.E.3-60-15 W.4th Meridian, and again gave his age as 43 years and his wife as 30 years and also stated that he had 2 children under 12 years. In his sworn statement dated the 12th of March, 1913, in support of his application for Patent for the said land, which was issued in his name on the 7th of May, 1913, he gave his age as 50 years, and stated that his family consisted of his wife and 4 children. He was naturalized on the 2nd of February, 1910.

Dear Sirs:

Your file 2005002

We have been advised by the above-named that in the year 1903 or 1904 he filed on his first homestead, being the S.E. 20-57-18 W.4th. We have already received from your office, a search of the S.E. 3-60-19 W.4th but as we have had considerable difficulty in proving Mr. Lanchuk's age for pension purposes it would be appreciated if we could obtain from your office, a further search of the land described above, showing the age given by Mr. Lanchuk at the time of filing.

Sir,-

In reply to your letter of the 21st September last, in which you make application to purchase the fractional [illegible] of Section 16, Township [illegible], Range [illegible], West of the 4th Meridian, I am directed to inform you that it has been decided to offer it to you to purchase this parcel, which contains in area of 46.[illegible] acres, at the current rate of $[illegible] per acre.

Sir,

I beg to inform you that your entry for the S.E. ¼ of Section 27, Township 52, Range 17, west of the 5th Meridian will now be cancelled in accordance with the declaration of abandonment you executed.

There are no improvements on this land.

It would appear you are desirous of locating scrip on this quarter section and if your entry is in good standing, you will be allowed sixty days within which to do so.

I beg to point out that if it is Half-breed scrip you intend locating, by availing yourself of this privilege, you thereby exhaust your homestead right.

You are to distinctly understand that you will only be allowed to locate Half-breed scrip on this land on condition that the assignment from the Half-breed to yourself is the only assignment which the Department will recognize or accept and that such assignment should be filed with the Department at the earliest possible date after the scrip has been applied.

OTTAWA - MAY [illegible] 1930

Memorandum:

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: Alfred Olson,
S.E.¼ 22-65-23 W.4th M. (S.S.)

The above-described land is the unpatented soldier grant of this settler.

Subsequent to the initial loan approved in his favour on the 21st July, 1925, the settler secured advances from the Board totalling $1[illegible].00, as follows: land, $7[illegible].00; stock and equipment, $325.00. As security the Board holds a charge on the settler's soldier grant. The only other land security held by the Board in this case is a first mortgage on the N.W.¼ 23-65-23 W.4th, the settler's privately owned quarter.

The Board is informed that the settler has completed the duties in connection with his soldier grant, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Commissioner of Dominion Lands to the settler, dated the 2nd May, 1930.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1821, enable the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the S.E.¼ 22-65-23 W.4th M. be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his soldier grant.

A Vesting Order for signature is attached hereto.

NOW KNOW YE that the undersigned, pursuant to the powers and authorities conferred upon him by the said regulations approved by the Governor in Council on the 4th day of June, 1921, P.C.1821, declares the right, title and interest of His Majesty in the said land except mines and minerals, whether solid, liquid or gaseous, to be vested in the Soldier Settlement Board of Canada.

CONFLICTING CLAIMS.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section the priority of their claims shall be determined by the priority of the dates of their respective entries or the commencement of residence in the manner specified herein.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate covering such land until the close of the fifth day of the date on which the prior right of entry is considered, or until the morning of the following day.

Your file No. 2508316.

I have your letter of the 25th ultimo, requesting to be advised of the present standing of the above described land, and if it is likely to be used again for farming purposes.

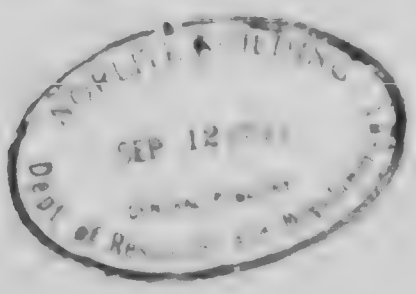

The land referred to was patented on the 10th of March, 1942, to Joseph Henry Shubart, and does not therefore, come under the jurisdiction of this Department.

This land is located within the settlement area, but I am unable to advise whether or not it is used for farming purposes.

Yours truly,

Re: Account of Fred Korstel
N.E. 2-60-15-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1917 seed grain amounting to $[illegible].40 was advanced to Fred Korstel on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 88.40	$ 153.98	$ 242.38

The N.E. 2-60-15-W4 was formerly the homestead entry of the debtor whose entry was cancelled on the 21st of May 1921. The land was re-entered upon by a Mr. E.E. Thompson on the 4th of December 192[illegible] and his entry was cancelled on the 27th of October 1925. The land has since been re-entered upon by a Mr. Joseph Henry Sherbart and patent was issued in his name on the 14th of March 1942, and there is no record of the lien having ever been registered against the land.

As the lien was never registered against the land and there is no further security for our advance, it is recommended that the indebtedness be cancelled.

C.W. Gilchrist.

N.W.6-25-8-W.4th.

Referring to letter received from Samuel Short, Barrister & Solicitor of Medicine Hat, Alta., under date of the 28rd ultimo, and the accompanying sworn Declaration executed by one John Jensen of Whitla, Alta., to the effect that title to his land, the N.W.30-9-8-W.4th, should not be clouded by a Lien for $37.50.

In this connection the records show that in 1915 the Department advanced to one Johan Jensen on the specific security of the N.W.6-25-8-W.4th Relief for that amount, properly registered.

It is, therefore, presumed that the existing registration against the N.W.30-9-8-W.4th is due to similarity of names, and the matter is referred to you for further action.

Kindly advise Mr. Samuel Short, Barrister & Solicitor, Medicine Hat, Alta., and John Jensen, Whitla, Alta., of action taken, and on the completion thereof return files to this office.

We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Dear Sir:

Re: N.W. 6-25-8-W.4th.

This Department has an old account against the above noted land for advances of relief to Johan Jensen in 1916.

As we believe that this is Crown land, we should like to be advised of its present standing and whether it is likely ever to be used again for farming purposes.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Re: Account of Johan Jensen
N.W. 6-25-8-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 relief amounting to $37.00 was advanced to Johan Jensen on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 37.00	$ 68.45	$ 105.45

Patent was issued in the name of Johan Jensen for the N.W. 6-25-8-W4 on the 20th of December 1921, subject to the 1915 liens.

In 1929 the land became subject to forfeiture proceedings for nonpayment of arrears of taxes and title reverted to the Crown in the right of the Province.

The land has not been under the cultivation since 1923, and it is described as a poor quarter fit only for grazing purposes.

This quarter section is under the jurisdiction of the Department of Municipal Affairs, Province of Alberta, and is still vacant and no longer being operated. As such the land no longer offers any security of value for our lien.

Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

Gentlemen:-

S.E.¼ 23-32-1 W. 4th M.

Referring to your letter of the 26th of September last, I beg to advise you that as the Department has received official certificate of the death in action of Private Robert Dommett, who held the above land under homestead entry, it has been decided that action will now be taken to have patent for this land issue in the name of the deceased entrant without calling for the performance of any further settlement duties and without requiring that Letters of Administration be first taken out, subject however to any indebtedness to the Crown which may be registered against the land.

The issue of patent in the name of the deceased entrant will not effect any action which may have been taken towards obtaining letters of administration as same will be required in any case by the Registrar in connection with the transfer of title.

It may be stated that the father of the deceased, William Dommett of Willand Cottage, Church Stanton, Honeton, Devon, England. is being advised to the above effect by a copy of this letter.

Dear Sir,

I have your letter of the 8th of November with reference to the N.W.¼ of 13-[illegible]-4 W4M.

Our records disclose that on the 6th of May, 1916, you applied for entry for the above mentioned land, that a further application was made on your behalf on the grounds of physical disability and this matter was referred to the Board of Pension Commissioners of Canada who in their reply of the 16th of January, 1922, stated that your pensionable disability was less than 5% and it would not necessarily render you unfit for farming.

On the 29th of May, 1922, you were advised accordingly and as no reply was received your entry was cancelled on the 26th of August, 1922.

Referring to the cancellation proceedings [illegible] against your homestead and pre-emption entries for the S. ½ of Section 18, Township 22, Range 1, West of the 4th Meridian, I am to say that the Department is in receipt of a report upon the land by a Homestead Inspector, from which it appears that you are seriously in default with regard to the requisite residence duties. It appears that you lived upon the half-section for less than three months during the year 1912, and that you have only lived thereon for three months during the present year. This is very unsatisfactory and the Department would be quite justified in cancelling your entries.

Before taking any further action in the matter, however, I am to ask you to write here, within twenty days from this date, stating clearly what your intentions are for the future with regard to completing the necessary settlement duties.

A favourable reply will be expected within the time specified.

13th July, 1914.

Sir,-

Referring to the statement you made on the 13th ultimo in support of your homestead and pre-emption, the West ½ of Section 18, Township 22, Range 1, west of the 4th meridian, I am to say it would appear from the information you have furnished that you may be complying with the regulations, and the Agent of Dominion Lands at Medicine Hat is being instructed to abandon the cancellation proceedings which are outstanding against your entries and advise all the persons interested.

Your obedient servant,

Assistant Secretary.

Wm. H. Harvey, Esq.,
Empress,
Alberta.

If the Homestead Inspector's report is correct, you have yet to perform two more periods of six months each.

Furthermore, I may state that you have apparently only twenty acres broken and under cultivation, which is ten acres short of the required amount, which shortage will have to be made up before you will be in a position to apply for patent.

Your obedient servant,

J. McLEAN

Re W.R. - [illegible] - W. 4th W.

Referring to [illegible] declaration which you executed on the 27th ultimo, I beg to inform you that before you can be definitely advised as to your position in the matter of making a successful application for patent for your homestead, the Department will require to be furnished with definite information with respect to the residence performed.

In your declaration now acknowledged, you claim residence from the 16th February to the 30th May, 1911; from the 20th June to the 16th August, 1913; from the 1st November, 191[illegible] to the 1st January, 1912; from the 1st May to the 30th September, 1914, and from the 20th March to the 16th August, 1914.

A homestead inspector in a report made some little while ago gave you credit for residence only from the 1st April to the 20th June, 1911, and from the 1st July to the 1st September, 1913, but it would appear, therefore, that you have still considerable residence to complete.

Gentlemen

I am a homesteader on the west half of 18 - 22 - 1 west of 4 and have made 20 acres under crop last year and have made arrangements to have 20 acres again under crop this spring. I was granted leave of absence until April 1st 1915, but owing to the lack of employment during most of the winter it was all I could do to pay my board. Lately I got a job at $45.00 per month and board, and consequently crave an extension of time limit in order that I may get a little means of support. I do return to my homestead this is not an attempt to evade

For the S.E. ¼ of 18-32-1, W. 4th M.
Not recommended.

Please see Form 58 showing the residence claimed by Mr. Harvey in his application for patent. The application was not accepted as there was evidence on file from the Homestead Inspector which credited the homesteader with very little residence in 1914 and 1915 and the agent was requested to obtain a further report from the Inspector.

The Inspector's report is to hand and the residence is marked on Form 58 and you will observe that Mr. Harvey has not performed the term of residence and the Inspector in his general remarks states,-

"At present entrant has land rented to N. McNeil whose land adjoins and according to information obtained from neighbors Mr. McNeil has an option to buy this land just as soon as entrant proves up. Mr. McNeil is one of the witnesses."

A letter has been received from Mr. [illegible] Watt, Empress, Alberta, in which he states that he filed a caveat [illegible] on the above land on June 30th, and claims that Mr. Harvey has not lived upon [illegible] months residence duties.

cultivation:-

1917, broke 25 acres, cropped 25 acres.

The Homestead Inspector's report in connection with Mr. Harvey's homestead entry, the S. W. ¼ of this land, shows duties as performed, according to which Mr. Harvey has not performed one term of residence and the Inspector further states that he has rented his land to Mr. McNeil whose buildings and according to information obtained from neighbours Mr. McNeil has an option to buy this land as soon as Mr. Harvey proves up on same. Mr. McNeil is one of the witnesses to the application for patent.

The reference to the cancellation proceedings pending against the pre-emption and dated the 11th instant last was sent to the Sub-Agent at Prince and forwarded to the Agent of Dominion Lands at Moose Jaw on the 14th ultimo, with an explanation that it had been overlooked in his office.

If the evidence in this declaration is to be accepted, it would not appear that the pre-emption entry was in default when cancellation proceedings were instituted, but the Homestead Inspector's report dated 11th June last does not credit Mr. Harvey with any residence this year.

There is a letter on the homestead file from Mr. Harvey dated 20th ultimo, stating that he never made any agreements in regard to renting his pre-emption; that as he could not afford to break the land on account of sickness Mr. McNeill performed the breaking and took the crop in payment; requesting patent for his homestead as soon as possible; that he has witnesses that he put in all his time and could get more if needed.

Mr. J. W. Cole, the applicant for investigation against the pre-emption entry, was notified by the Agent on the 4th ultimo not to take any action in connection with the thirty days' notice sent him.

I am of opinion that the evidence on file is sufficient to reinstate Mr. Harvey in his pre-emption entry.

N. P. [illegible]. 4th M.,
Cancelled pre-emption entry of
Mr. William Harvey.
Entry granted [illegible]st, 1911.

This case is submitted to consider Mr. Harvey's application to be reinstated in his pre-emption as above described.

Cancellation proceedings were instituted on the 22nd June last, on behalf of Mr. L. [illegible]. Cook and the entry was cancelled in the Agent's office on the 23rd [illegible]ust.

Telegram from Mr. Harvey dated 30th August, that all reference to the cancellation proceedings to his entry was forwarded to Medicine Hat and that the land has since been cancelled. Requesting to be advised as his duties were not in default.

Telegram from Mr. [illegible]. O'Neill requesting the Department to stay cancellation so as to allow the matter to be fully put before the Department. That his client's claim[illegible] action had been taken on false reports.

Letter to Mr. O'Neill dated 11th August last, that as proceedings were instituted against the pre-emption on the 22nd June, 1917, it would be necessary for Mr. Harvey to forward his defence without delay; that the proceedings instituted against the homestead were dated the 17th August and Mr. Harvey would be allowed a period of thirty days from that date within which to file a [illegible] in connection with same.

Mr. Harvey has filed a declaration on form 303 dated 4th August, that he has been employed by Mr. O'Neill in farm labouring operations for three months from the 4th August last.

A defence dated the 11th August has now been filed showing residence from the 10th September, 1916, to the 14th December, 1916, and from the 14th April, 1917, to the 16th May, 1917.

I would point out that you cannot obtain patent on your homestead until you put in six months residence in each of three years on your homestead, as required by the Act.

When you have complied with the above you should execute a supplementary statement setting forth the facts, which must be corroborated by the evidence of two disinterested witnesses.

This statement must be made before the Local Agent, or Sub-Agent of Dominion Lands for the District.

I am to inform you that the only residence that can be counted to your advantage is from the 15th of April, 1917, and as you have not put in six months residence since that date your residence duties are in default and as cancellation proceedings are outstanding, you should go into residence on your homestead with the intention of completing the duties, advising the Agent of Dominion Lands at Lethbridge to that effect.

I filed on this land in 1911, have been in residence during each year since that time, and have 25 acres under cultivation.

My crop this year is practically a failure and would like to be in a position to get a loan in order that I may be able to continue to stay with the farm and get the land into shape for next year.

Will you please give this matter your early attention and oblige,

Sir:

Referring to your files Nos. 2500468 and 2508699, I beg to enclose a report made by Mr. Cannerman in connection with the duties performed by Mr. W. E. Harvey on the S. W. of 18-22-1-4 4th Meridian. Attached to this will be found a declaration made by Mr. J. J. Muza regarding the duties performed by Mr. Harvey.

It would appear that in order to get any definite evidence as to his Residence duties, it will be necessary to hold an investigation under Oath and it is very doubtful in my mind, whether this evidence would be secured and I do not think the Department would be justified in going to any expense.

Personally I am aware that Mr. Harvey has had some bad luck and it is hoped his entry will not be disturbed and that if the Department is not satisfied to accept the evidence given to substantiate his claim for a patent for this land, that he will be given an opportunity to produce the evidence or complete any further necessary duties to entitle him to patent.

MEMORANDUM:

Mr. Wade,

Application for patent,
Mr. W.H.Harvey,
For NE. 1/4 of 1-11-1, East of M.
Not recommended.
Date of entry, 30th of August, 1911.

Please see the memorandum of Mr. Harris of the 4th of March, last, and your remarks thereon.

A report has been received from Chief Inspector Swinford and Garth of the Dominion Land Agencies in forwarded the report of Mr. Timmerman states:

"It would appear that in order to get any definite evidence as to his residence duties, it will be necessary to hold an investigation under oath and it is very doubtful in my mind, whether this evidence would be secured and I do not think the Department would be justified in incurring any expense.

"Personally I am aware that Mr. Harvey has not resided and it is open to entry will not be disputed and that if the Department is not satisfied with the evidence given to substantiate the claim for a patent for this land, that he will be given opportunity to furnish the evidence or complete same by further personal affidavit before patent issues."

Mr. Timmerman in his report states that he called upon several parties and could get no one to give him any statement under affidavit but he stated that Mr. J. Mitchell of the W.half of Section 2, in the same township, stated that Mr. Harvey had built a shanty and had broken some land and that he, Harvey, had lived with his family for a short time but that he, Harvey, had left with a team several years previous and being married.

He also interviewed Mr. Leslie, who lives quarter of this land and he informed Mr. Timmerman that Harvey was living on his claim and that he, Leslie, had no definite dates as to residence performed but thought he had erected some sort of shack and live on the land.

The

The Inspector will state in regard to the [illegible] Harvey [illegible] the last time, Mitchell, that he is in a position to verify this statement and it is only speculation in any small part.

The Inspector also states:

> "In addition I [illegible] that the different parties will vary in residence from some time in December, 1917, to the early part of September, 1918, although they would have me on statement under affidavit as to actual dates. I am sorry that it was impossible for me to get further information that would be of any real benefit to the Department. My own opinion is that Mr. Harvey may have lost his residence since date of entry in some of the years but not for recent, [illegible] sentiment seems to be in favor of the homesteader in most cases."

The Agent furnished a declaration made by [illegible], which is as follows:

> "I know Wm. Harvey, of the N.½ of [illegible] West 4th M. That I have lived on my land since 1911 and continuous since Spring of 1915. That W. Harvey, had not in my [illegible] year fulfilled six months residence on his land since Spring of 1915, previous to 1918 I am unable to state definitely any residence, although I have always heard [illegible] to claim, his residence has always been [illegible] and hard to locate."

MEMORANDUM.

S.W.¼ of [illegible], 9, 4th M.
Homestead of [illegible] Harvey.
Entry granted [illegible].

Mr. Harvey has made application for patent claiming the performance of the requisite residence duties, but in view of certain previous evidence on file, it was decided that his statements in this regard could not be accepted as correct.

Homestead Inspector Switzer's report of the 14th of June 1917, marked, did not give the entrant credit for even the term of six months residence.

A full statement of this case is contained in Mr. Harris' memorandum dated the 4th of March last, and when submitting the case for your consideration, I suggested that Mr. J. W. Martin be instructed to go fully into the case and ascertain definitely what residence had been performed.

I also suggested that Mr. Martin should be asked to investigate the statements contained in Homestead Inspector Switzer's report of the 14th of June 1917, regarding option on this land held by one McNeil. You approved my suggestions.

In a further report dated the 14th of September last, Homestead Inspector Switzer set out that he adhered to the statements regarding residence as contained in his report of the 14th of June 1917, but added that since that time Mr. Harvey had moved upon the homestead and built the lot of shanty or tell to about the 14th of September 1918. This further period of residence is [illegible] to have enabled an [illegible] entry.

Mr. Martin, [illegible] to the [illegible] matter, [illegible] that it will be very difficult to get definite evidence as to the actual residence performed by Mr. Harvey, and in his opinion, the requirements could not be [illegible] prior to any expense.

The reports received in J. W. Martin's letter are [illegible] to Mr. Harris's memorandum herewith.

R. Robb who took my place, he refused to give up the handle, the Chief of Police appeared about a quarter to nine and asked who was the first man at the office door when the building opened. I replied that I was, the Chief then removed Mr. Robb & gave me my place back. I then changed places with Mr. Taylor who was the first to enter the office at 9 o'clock when the door was opened.

Lethbridge, Alberta, 29th December 1920.

Sir,-

W.½ 18, 32, 1, W.4th M.

I beg to advise you that the above described land became available for entry this morning to persons eligible under the Soldier Settlement Act.

Prior to the opening of the office at 9 o'clock the applicants, two in number, would appear to have had some trouble as to who was entitled to first position at the door of the office, and the friends of one of the applicants called in the Chief of Police of this City who appears to have taken upon himself the authority of determining which one of the applicants had prior right at the door.

I am enclosing you herewith declaration completed by applicants F. H. Hobb and J. M. Taylor, and also one completed by Mr. K. Mortsome as to what happened outside the door of the office before 9 o'clock on the morning of the 29th instant.

When I arrived at the office at 8.45 A.M., Mr. Hobb was holding first position at the door and there was no apparent trouble. When I went to open the door at 9 o'clock Mr. Taylor was holding first position and Mr. Hobb complained to me that the Lethbridge Chief of Police had removed him and had given first position to Mr. Mortsome, who was employed by Mr. Taylor, and who afterwards gave up his position to Taylor.

On making further investigation of the matter I find that Mr. Taylor is Chief of Police at Medicine Hat and it appears to me that he and Mr. Drummond, who is President of the G. W. V. A. in this City, prevailed upon the Lethbridge Chief of Police to remove Mr. Hobb in order that Mr. Taylor might secure first position at the door.

There was no disturbance or disorderly conduct at the office door and I am of the opinion that the Chief of Police exceeded his authority in interfering. I was in the office at the time the Chief arrived and I think he might have consulted me before

DECEMBER 29th, 1

Deputy Minister,
Department of the Interior,
Land Patents Branch,
Ottawa, Ontario.

Dear Sir:

RE: E. R. ROBB and
WEST HALF of 18-22-1,
West 4th Meridian.

The above described land, which lies in the vicinity of Empress, Alberta, was thrown open for entry and there were apparently several people very anxious to file on the land.

My client, Mr. E. R. Robb, came here from Empress the latter part of last week for the purpose of filing on this land under his rights as a returned soldier, and apparently one, Mr. Taylor, who is Chief of Police at Medicine Hat, was also desirous of obtaining this land.

This morning, when the land was supposed to have been filed upon, Mr. Robb was there and it appears as though he had obtained first place in the line for the purpose of filing, when Chief of Police Taylor, who was also desirous of getting the land, put in an appearance and undertook to move Mr. Robb from his position, as Taylor, apparently was under the impression that he should have been first in the line or at least claimed that he had hired people to hold his position. The result was that there was some trouble at the office between these two parties, and I believe that Mr. Robb, in view of the fact that he was first in position, was entitled to file on this land, and as a matter of fact, the local agent or someone in his position, told him the same thing, but on account of the dispute which arose at the time, the agent decided it was best to withdraw the land for the present time, and I do not know just what arrangement he made in regard to make it available for entry at some future date. However, the position is that Mr. Robb, who as a matter of fact, has a quarter section which he obtained as a homestead entry some years ago in the vicinity of this land, is particularly anxious to get the land above mentioned, and which by the way, he intends to farm himself. Of course, Mr. Taylor, is at the present time, Chief of Police for the City of Medicine Hat, and I do not know just what his intentions are in regard to farming and it would appear as though perhaps it was more

ALBERTA

-2-

a matter of speculation with him, than that of a bona fide farmer. Mr. Robb, on the other hand, is farming and has been farming for sometime in this district. and it is his intention, if he is able to get this land, to put it into crop, as he has the machinery and implements with which to do it.

For your information, I might say that Mr. Robb enlisted in the 175th Battalion, and left Canada in September, 1916, and went to France with the 31st Battalion, and I believe that his record in the army is of the very best.

It is of course, very unfortunate that this trouble should have arisen between Mr. Robb and Mr. Taylor this morning, but apparently both are very anxious to get the land, and although Mr. Robb to my mind, had the first right to file, in view of his position, [illegible] it upon himself to try and move him from the line so as to get his position himself.

No doubt the local agent of Dominion Lands, Mr. Reid, has reported fully in connection with this matter to-day, and I would be very glad if you would let me know for Mr. Robb, just what the Department intend to do in reference to this particular land, and if it is to be available for entry again, I would like to know date, as it is Mr. Robb's intention to appear again le on this land, which I think he was as a matter of t rightfully entitled to this morning.

If you would write me as s possible in regard to the position the Department king in reference to this matter, I would appreciate much, so that I can keep in touch with Mr. Robb e him plenty of time to be present when the land n made available for entry.

Yours truly,

A SUMMARY OF REGULATIONS AND DEPARTMENTAL RULINGS RELATING TO DOMINION LANDS FOR THE GUIDANCE OF AGENTS, SUB-AGENTS AND OTHER OFFICIALS

Effective August [illegible] Supersedes all Circulars and Rulings

Must be read in connection with all Circulars and Rulings issued since above date.

PLAN OF A TOWNSHIP

Townships are bounded off in sections containing thirty six sections of [illegible] each, as far as the convergence of meridians permits. Such sections are bounded and numbered as shown by the above diagram.

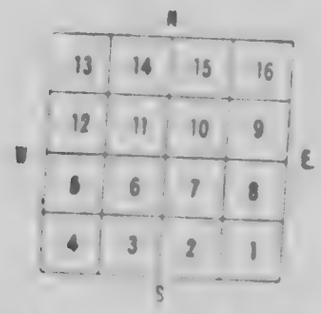

A section contains six hundred and forty acres. Each section is divided into four quarter sections containing one hundred and sixty acres each.

Roads allowances are provided as indicated by double lines on the above diagram, namely - running north and south, between sections, running east and west, along the township lines and from thence, two miles apart.

Townships are numbered consecutively from south to north. Each row of townships runs [illegible] is given a range number. The ranges start from a Principal Meridian and are numbered consecutively. The first meridian is a few miles west of Winnipeg. Ranges number from this meridian as a starting point, both eastward and westward. In regard to all other meridians, ranges number westward only.

It will be seen that the number of township, range and meridian, at once shows the exact locality of the township.

PLAN OF SECTION

Each section is deemed to be divided into forty acre areas, known as legal sub divisions, and numbered and bounded as in diagram above.

In the event of conflict of application or entry or other disputes, or of cases of alleged misrepresentation or if cases of any other nature arise which in the opinion of the Agent should be investigated, he should promptly order reports. Where entered homestead has been sold before application for patent for the empire

If a settler has disposed of his entered homestead, he may be given credit in connection with his preemption for any residence performed on his entered homestead up to the date of the sale thereof, provided he possesses the usual proof of ownership of the homestead quarter-section when making up his papers for patent for his preemption. 9.

The settler cannot be allowed to count residence on the home-stead after he has sold it under any circumstances. 9.

If the settler has performed the cultivation duties on his pre-emption homestead before selling the same, he may receive credit therefor when applying for patent for his pre-emption; but if he does not own his pre-emption homestead when he comes to apply for pre-emption patent he will have to show 50 acres of cultivation upon the preemption as 20 acres must have been sown. 9.

c) The Agent shall keep an Application Journal in which he or the person for the time acting for him, shall record the date and hour and minute of his recognizance of a line; and if at his opening the rush of applicants is sufficient to require it, he shall commence to number each applicant in line and register in the Journal as each his name, number and time of registering. Later arrivals in the line shall register and be numbered in the same way. 6. May number and register applicants.

That is, each application being acted upon must be registered in the Journal immediately on receipt and given the number to which it is entitled [illegible] of the time of receipt and not with [illegible] numerical order. The time of receipt and number given are also to be entered on the application by the Agent or responsible officer acting for him. 6.

In the event of the Agent discovering a condition of [illegible] and forming a line, no application should be entered [illegible] one entry until after the men dealt with. A person in line making entry for himself as above cannot at the same time make a proxy entry, but a person in line not being an applicant on his own behalf may make one proxy entry but not more. 6, 8, 13.

An agent who entertains [illegible] for both soldier [illegible] homestead entry may enter both entries in his form as subsequent applicants are dealt with. 14

A record must also be made in the Application Journal each time there is no rush of applicants of all applications for [illegible] cancellation received from Sub-agents giving the date [illegible] and minute of the receipt of same. The time of [illegible] must be entered on the application itself. In any case where a Sub-agency application conflicts with one received at the Agency or any other case of conflict of application, a record must be made thereon of the exact time of receipt of all such applications showing the order of their priority. The Journal [illegible] form a part of the agency records. 6.

The regulations governing rush for entries are intended to [illegible] only for securing in single file the use of the land offices [illegible] men who have entries to [illegible] with the office on the day on which they form into line.

The regulations are not intended to authorize or to protect, and in no way sanction or protect the [illegible] of persons or the formation of a line outside of the [illegible] and other persons seeking to hold places which will give them priority [illegible] one or more days before the opening of the lands [illegible]

matter and object of the statute and regulations issued under it. Agents will be required to deal with all questions of priority with this object in view. 10.

Agents are required to keep the land office and the entrances thereto clear throughout each day of people who have no business to transact on that day. This applies to both inner and outer entrances to an agency if there is more than one entrance.

If there is any loitering around the inner or outer doors of the land office during office hours on any day by a person not engaged in the transaction of business on that day, and in the opinion of the Agent such loitering is for the purpose of attempting to secure priority of position on a subsequent day, the Agent shall notify in writing the proper authorities of the municipality or the province, or both, of his belief that such loitering is with a view of interfering with the proper transaction of public business in the land office, and shall request the authorities to take measures to prevent it.

If the Agent has reason to believe that at the opening of the land office any day there then will be in waiting such a number of applicants for any certain parcel or parcels of land as will render some action desirable, he shall notify in writing the proper municipal or provincial authorities, or both, that there is need for police assistance in the preservation of order, so that priority may be fairly established, and shall request that such assistance be given. 10.

If at the hour fixed for the opening of the office on any day the Agent finds more people who have business to transact on that day assembled at the door than can conveniently be formed in a line as provided in the regulations, he shall arrange to establish priority of right to attention at the counter of the land office by the following means:

The Agent shall open the door from the inside so as to admit the applicants one at a time. The applicants shall be numbered consecutively according to the order in which they enter. As each person enters he shall sign his name in ink in the Applicants' Book opposite his number and time of registering, and if in the opinion of the Agent the occasion requires it, he shall be given a card bearing his signature, number and the office time stamp.

The persons registered as above shall next enter the land and shall be dealt with at the counter in the order of their numbers.

In case it is not convenient, because of the large number of applicants or because of obstruction to business, to enter the inner doors of the land office, a room may be made at such other convenient place as may be fixed by the Agent, who shall announce the time and place of such room so that all waiting applicants may hear, and he shall post up notices to the same effect in conspicuous places at the inner and outer

[illegible] of the land office. The Agent will be held personally responsible if any waiting applicant is not given [illegible] opportunity to become informed as to the time and place of the issue of [illegible].

[illegible] In the event of any waiting applicant or applicants acting in a disorderly manner or using violence or undue force, the Agent shall refuse to register or issue a ticket to the applicant responsible for such disorder. In all such cases full note of the action of the Agent and his reasons must be recorded in the Application Journal.

[illegible] The Agent is hereby instructed that wherever in the regulations regarding rush for entries the name of an applicant is [illegible] entered in the Application Journal he is to require the applicant to sign his name in ink in the Application Journal opposite to the number which he receives, and in cases in which tickets are issued the applicant shall also sign his name on the back of the ticket.

ADVERTISING LANDS.

Agents must furnish Head Office with a copy of notice advertising lands opened under section 7, of the Dominion Lands Act of newly surveyed townships, with date when and becomes available for entry. When lands withdrawn from reservation are advertised before being thrown open for entry, a copy of the notice must be sent to the Head Office. 9.

UNSURVEYED TOWNSHIPS.

Agents should from time to time advise the Head Office what new surveys they consider should be made in their districts; also what surveys or portions of surveys require reposting. This information is required by the Head Office and may help to make available, lands for which there would be a demand for homesteading purposes. 9.

A township is not a surveyed township for the purpose of granting entries for available lands therein until the preliminary plan is issued therefor by the Surveyor General, and lands in such townships which adjoin or border on lands in a surveyed township cannot be open to entry before issue of the preliminary plan. 9.

RESERVATIONS FOR SOLDIER SETTLEMENT.

By April, 1918, the Agents were instructed to reserve for Soldier Settlement all vacant and available Dominion Lands in Range numbers within certain tracts extending approximately twenty miles on each side of railway lines. Forest reserves are excepted from this draft. This reservation will not take away or affect existing rights on the part of any other person or persons in virtue of applications made or notices given under the provisions of the Dominion Lands Act and the amendments thereto up to the date at which the reservation becomes effective, and upon the requirement of such rights is thereafter established to satisfactory evidence, the land affected thereby, if already reserved, may be withdrawn from the reservation. 10, 11

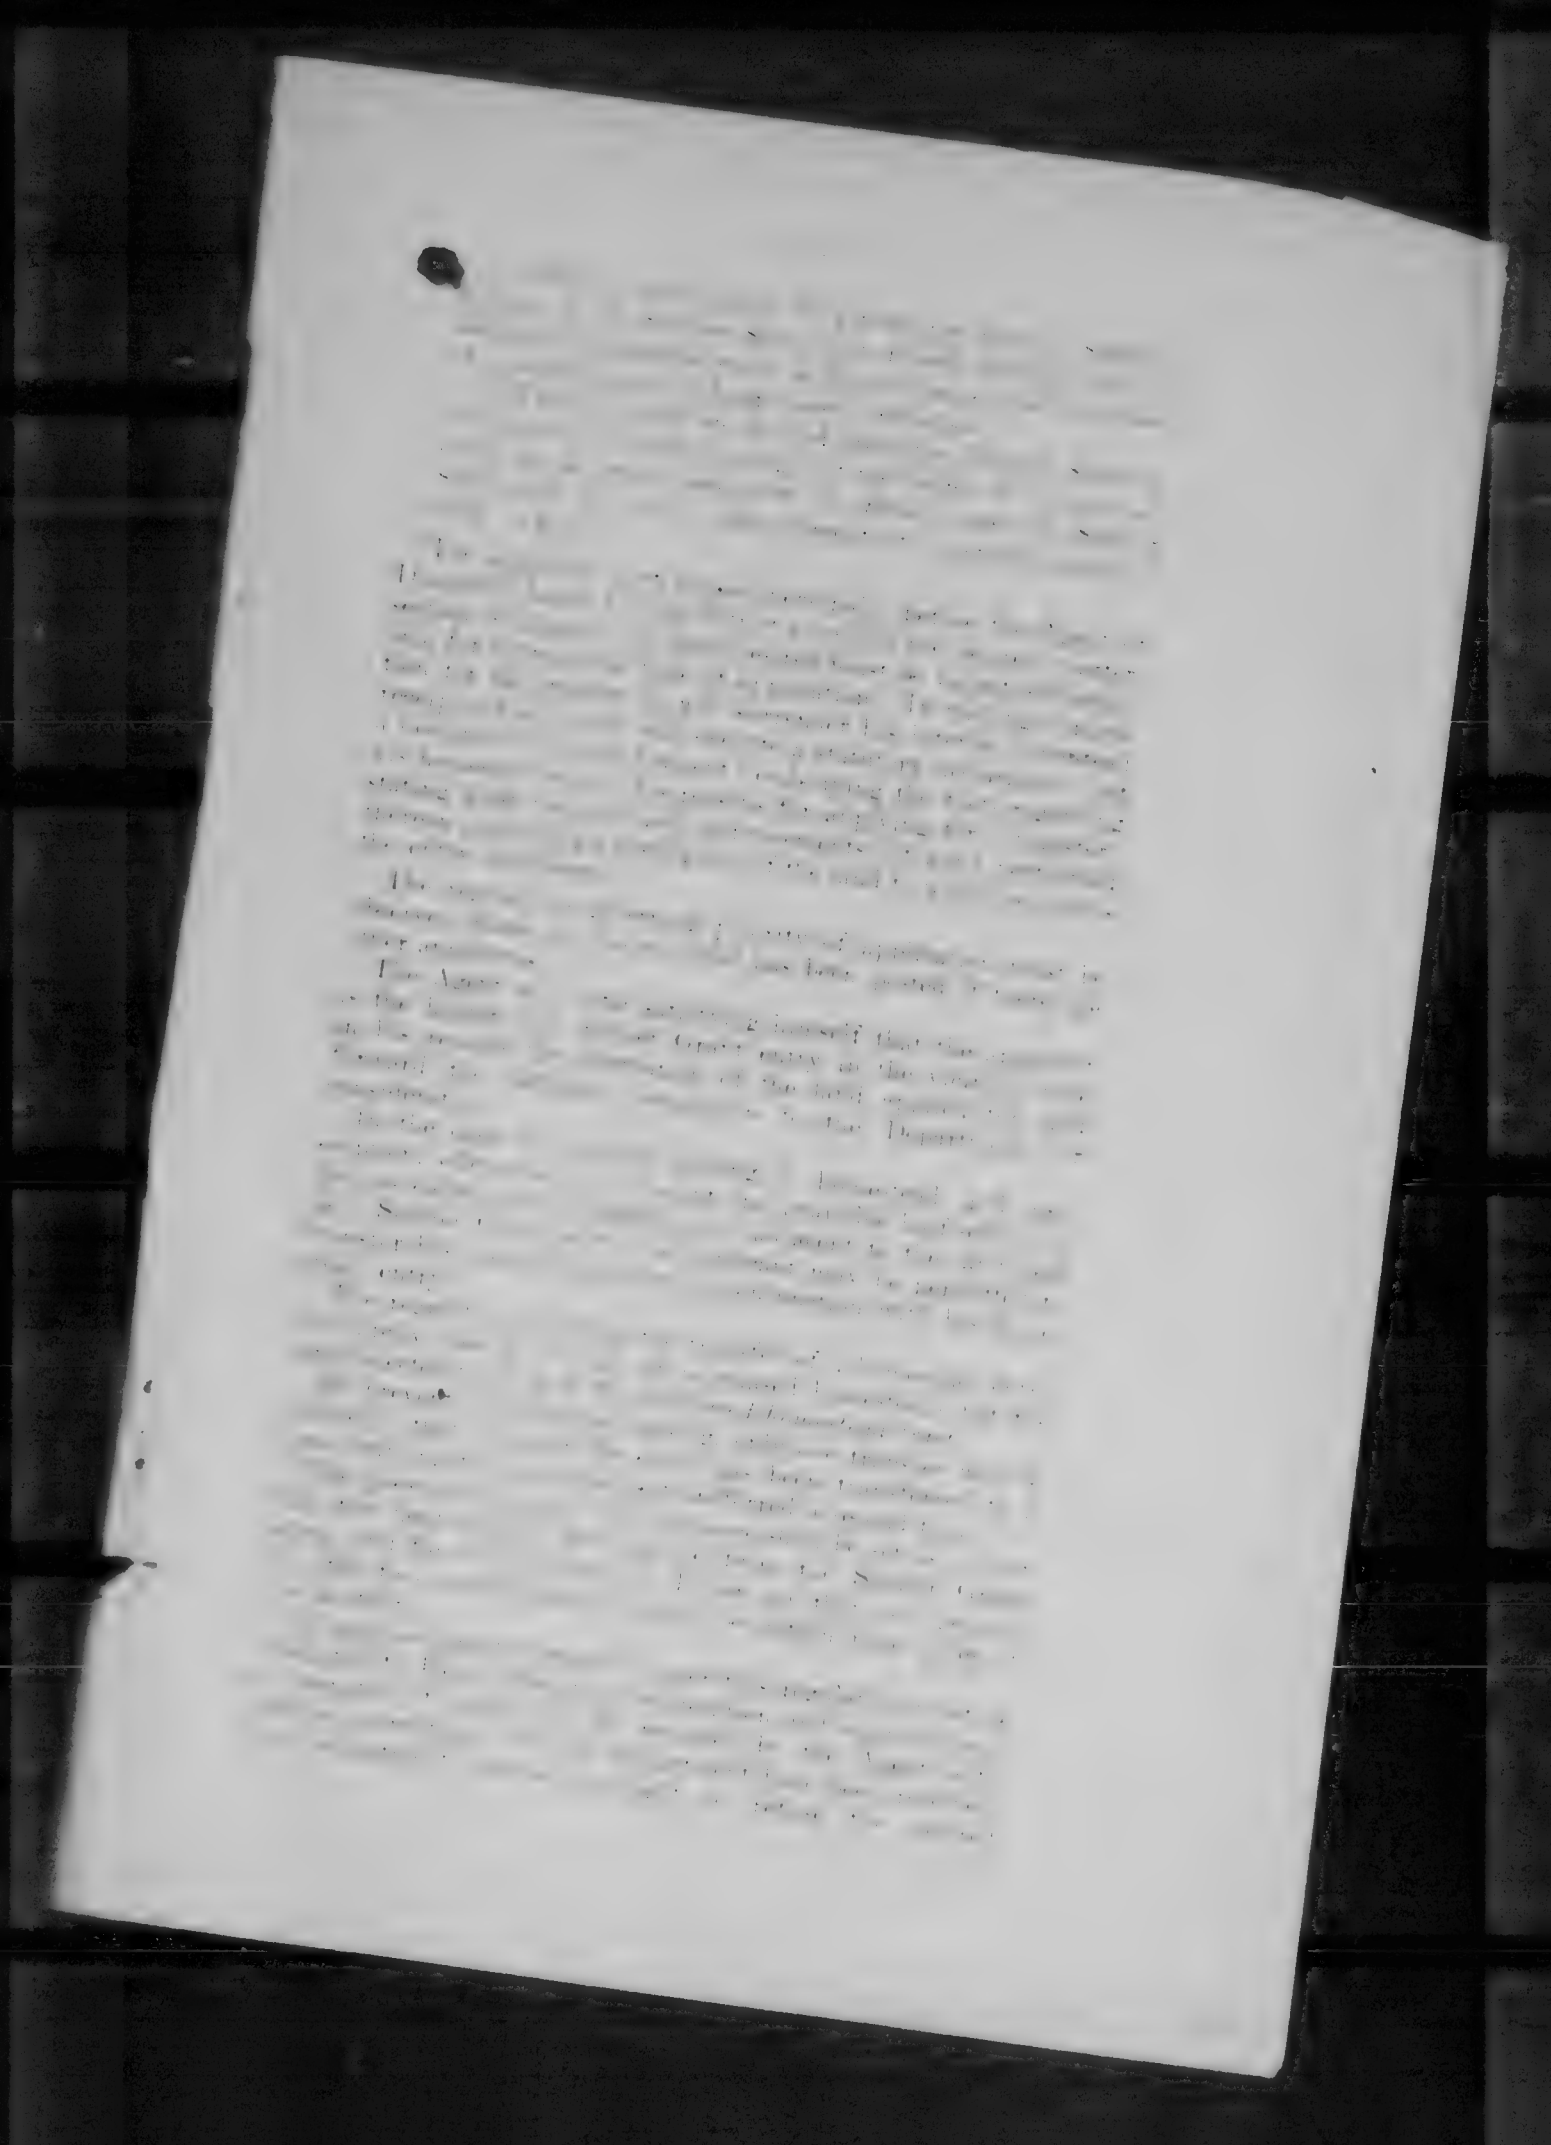

Land in Alberta north of Township 60 and West of the western boundary of Range 1, West of the 5th Meridian, has been removed from the reservation for Soldier Settlement.

Special Inspections.

Where lands are held under entry in any tract reserved for Soldier Settlement and the duties are not being performed in accordance with the regulations, the entries of all such quarter-sections are declared to be the subject of special proceedings on behalf of Land Office for the benefit of the

of Mr. Root.

If the Agent had followed the usual practice, he would have granted Mr. Taylor entries, the latter being the first in the office, and would then, if he thought necessary, referred the matter to the Department, but as there set out instead of doing this he took cognizance of what had happened outside the office and refused to allow any of the land until the matter had been referred here.

Under the circumstances, a decision is now required as to whether Mr. Taylor should be recognized as having prior claim to this half-section, or whether the land should be reported as suspended by the Agent, and right of re-entry extended to the first applicant regardless of whether such first applicant should happen to be Mr. Taylor or Mr. Root, or some other person.

Re W.½ 18--22--1, W4th M.

The Deputy Minister has asked for a report in regard to the Agent's action in withholding entries for the land above described. Deputy Minister's reference 2446.

The Agent at Lethbridge posted the above half-section as being available for entry by a "Settler" as defined by the Soldier Settlement Act on the 27th December, 1920.

It appears that on the day mentioned two men, i.e., Mr. R.R. Ross and Mr. J.M. Taylor, were desirous of obtaining entries for this parcel, probably as a homestead and a Soldier Grant, but owing to a complication which occurred the Agent refused to grant entry to either of them and referred the matter to the Department for consideration.

The facts appear to be that Mr. Taylor hired a man named Englesome, to hold a position for him at the outside office door; that Mr. Ross took Englesome's place either by force or by Englesome momentarily vacating, and that on Mr. Taylor lodging a protest the Chief of Police removed Mr. Ross and placed Mr. Englesome in first position, Mr. Taylor subsequently replacing the latter and being first in position when the door was opened by the Agent.

According to the Agent's own statement Mr. Taylor was in first place when he opened the door and, under the regulations, he should have allowed Mr. Taylor to enter and given him first opportunity of making entries for the land in question.

The Agent, however, was [illegible] advised by Mr. Ross of what had transpired outside the door, and he evidently allowed his action to be governed by what took place, notwithstanding the fact that it has always been the practice of the Department to ignore any action that takes place outside the office, and it permits the first person to enter the office to be the one entitled to first entries.

Mr. Nelson Spencer, M.P.P., has written the Minister on behalf of Mr. Taylor, while Mr. M.S. McArthur of Lethbridge, has written the Deputy Minister on behalf

CIRCULAR: 31/1/21

Sir,

In the disposal of Dominion Lands, following notice of posting, occasionally complications arise at the Dominion Lands Office owing to a rush of applicants, and in some cases the local Agent has great difficulty in determining priority and it has been decided, as a matter of policy, that where the Agent is confronted with a situation of this kind but is unable at his own discretion to render an equitable decision, the land is to be withdrawn from entry and all the facts of the case reported to the Department immediately for consideration.

Agents will be held responsible for exercising discretionary power in applying this rule and it should not be inferred that because there are two or more applicants for one quarter-section, that the land is necessarily of special value. The Agent should be in a position from his local knowledge to determine whether there are circumstances of special significance which would enhance the value of the particular piece of land to be disposed of, and if, in his opinion, there is no reason to suppose that the land is of more than ordinary value, notwithstanding the anxiety of the applicants to obtain priority in the matter of standing, he will be expected to exercise his own judgment as to the advisability of proceeding with the disposal thereof as originally intended.

Kindly acknowledge this circular and if for any reason the ruling is not quite clear you are at liberty to refer here for further particulars.

The Agent of Dominion Lands,

With reference to the sale at public auction of the quarter-section, above mentioned, to Mr. J. F. Will you kindly read Mr. W.O. Scott's memo of the 5th underneath and also refer to my memo of the 17th July last, carried by slip. My understanding of this case is that it is the intention of the Department to apply as much of the amount received as purchase price as may be necessary to liquidate the indebtedness of the former settler for seed grain, fodder or relief.

If you are aware of no reason to the contrary, I presume you will arrange for the necessary transfer but the amount so applied will not in any way increase the amount to be paid by the purchaser, who acquired the land by purchase at auction at a stipulated price.

Re S.W.¼ 18-22-1 West 4th.

In reply to your letter of the 19th instant, I beg to advise you that according to the Homestead Inspector's report, dated the 17th of August last, there was no house on the above land at that time, neither was there a house on the land on the 10th of March last, when this quarter section was sold to Mr. A. J. McNeill.

The Inspector also reported that the house in question was removed under your instructions on to the road allowance, and I beg to point out that this action was in direct contravention of the Dominion Lands Act, as all improvements on the land, when Mr. Harvey's entry was cancelled on the 11th of November, 1920, became the property of the Crown. If however, the house is now moved back on to the land and you will so advise me, Mr. McNeill will be requested to pay the Homestead Inspector's valuation thereof.

As you have already been advised, the amount collected for improvements on this land will be applied in reduction of the former entrant, Mr. W. J. Harvey's seed grain indebtedness, amounting to $451.22 with interest at five per cent from the 9th of April, 1918.

In regards to the house question I must say that I do not understand your Inspectors report, as T. A. And I was talking to your Inspector over the phone recently and told him that we had valued the house at [illegible] and that we would certainly like to have it where it was. Gentlemen,

S.E. 1/4 15-12-1-4th Meridian.

With reference to your letter of the 27th of December last addressed to the Agent of Dominion Lands at Lethbridge with respect to the value of improvements that were on the above described quarter-section when Mr. J.F. McNeill purchased same, I beg to inform you that a Homestead Inspector visited the said improvements at 130.00 which amount has been paid by Mr. McNeill.

The former entry for the west half of this section, Mr. Wm. W. Harvey, is indebted to the Government for seed grain in the sum of 431.32 which amount with the 130.00 referred to has been credited on account of the improvements. Under the circumstances, you will, I trust, see that there is no more money available for refunding in this case.

MEMORANDUM:

MR. HOEY.

S.W.¼ 18-22-1 W.4th M.

The Agent of Dominion Lands at Lethbridge was authorized on the 16th January, 1921, to sell the above quarter section and the adjoining quarter (N.W.¼ 18) at auction at an upset price of five dollars per acre.

The Agent reported, 11th March, 1921, that the S.W.¼ of Section 18, had been purchased by Mr. Alexander P. McNeill at $5.00 per acre. Mr. McNeill paid the sum of $200.00 on account.

Inspector Mayberry reported in August, 1921, that there was a dwelling house on the land valued at $100.00. The purchaser was called upon to pay for the improvements and did so in January, 1922. The amount collected for improvements was placed to the credit of the Seed Grain account of the former entrant.

The purchaser has now written the Department asking why he did not receive credit for the sum of $100. paid for improvements in connection with the purchase of the land, he stated that as there was nothing in the Bills of Sale or at the time of the sale, that the improvements were to be paid for in addition to the price bid on the land and that when under ordinary circumstances land is purchased, the purchase price always includes the value of the improvements. He contends that he is entitled to credit on the purchase price for the sum of $100.00 which he paid for improvements.

Please advise whether Mr. McNeill's claim to credit in connection with the purchase price for all the moneys paid should receive consideration in view of the failure of the advertisement respecting the sale to contain a statement that the improvements on the land must be paid for in addition to the price bid per acre.

I am in receipt of your letter of the 18th ultimo, and in reply am to say that, according to evidence at hand, there was no house on the above quarter section when you purchased it at auction at the rate of $5.00 per acre.

The house, which you removed from the road allowance adjoining the above quarter section to the South East quarter of Section 13, Township 23, Range 2, West of the 4th Meridian, was erected by the former entrant for the above quarter section and removed from the land in contravention to the Dominion Lands Act by a representative of the Empress Lumber Yards. The house became the property of the Crown upon the cancellation of Mr. William H. Harvey's homestead entry in November, 1920.

The sum paid by you to the Department for the building cannot be placed to your credit in connection with your purchase of the above quarter section. The original terms of the purchase must be carried out in full.

Re: Account of W.H. Harvey
S.W. 18-22-1-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned part is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1918 seed grain amounting to $451.32 was advanced to W.H. Harvey on the security of the above mentioned land. A payment of $100.00 was received in 1922 and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
		$ 1,096.71
$ 437.17	$ 659.54	

The S.W. 18-22-1-W4 was formerly the homestead entry of the debtor whose entry was cancelled on the 11th of November 1920. The land was later re-entered upon by a Mr. Alexander F. McNeill to whom patent was issued on the 19th of November 1925 subject to the 1918 lien.

On the 3rd of May 1926 after representations by the registered owner, authority was issued releasing the land as security for the lien. The balance of the indebtedness has since remained as a charge against the liense under his personal covenant.

The whereabouts of the original debtor is unknown and it is considered that there is no possibility of collection.

As the lien is no longer registered against the land and there is no further security, it is recommended that the balance of the indebtedness be cancelled.

C.W. Gilchrist.

I am writing on behalf of Mr Alex. McNeil, the purchaser of the above land at the public auction sale in 1921. He has paid for the land, but his title as issued from the Calgary land titles office is encumbered by a seed grain lien. I am instructed to request the Department to have this encumbrance cleared off the title. The amount of the encumbrance is $451.39, and the title indicates that it was granted by W. H. It will be noted that during the last two years no accounts have issued in connection with the above described land, Mr. Harvey's address being unknown. It is noted that a report made by Homestead Inspector Bowyer on the 28th of June, 1924, did not give any indication as to the whereabouts of Mr. Harvey, and it will be noted that Mr. A. F. McNeill who obtained patent for this land was released from payment of the outstanding indebtedness against the SW¼, by reason that he acquired this land through auction at an upset price of $5.00 per acre - no conditions being provided at that time for payment of the seed grain indebtedness.

The only means, therefore, of recovery of the outstanding amount is through Mr. W. H. Harvey, and I would request that an energetic effort be made to have him located with a view to collection.

Memorandum:

R. B. Matheson, Esq.,
Assistant Commissioner of

S. ½ 35-2-15-W.4.M.
Cancelled pre-emption--Norman M. Ross.
Sold at public competition.

In compliance with the Deputy Minister's instructions to sell this land at public competition at an upset price sufficient to liquidate the seed grain, fodder and relief charges the land was sold and the payment of one-quarter of the purchase price, $159.00, has been reported.

This Branch has been requested to transfer this amount of $159.00 to the Seed Grain Division to be applied on account of the outstanding indebtedness having reference to the Deputy Minister's memorandum of the 31st May last, marked, but in view of a former ruling of the Deputy Minister in a somewhat similar case I am doubtful as to whether it is the intention to transfer to the Seed Grain Division the money collected from this sale.

Please see the Deputy Minister's memorandum of the 31st May, 1926, on this file, marked, giving instructions that this land be offered for sale at public competition at an upset price sufficient to liquidate the seed grain, fodder and relief charges; it is not stated what the amount realized is to be transferred to the Seed Grain Division, and the Deputy Minister's memorandum of the 14th January, 19[illegible], on file, marked, stating in the case there referred to that the indebtedness is not to be liquidated at the present time from any moneys paid on account of the purchase but the money to be transferred. There is no objection to selling in the Seed Grain Register as a "green entry" the fact that the Department has sold the land. In all such cases the lessor must be held for the indebtedness and every effort exerted to obtain re-payment from him.

Would you please state if this money is to be transferred to the Seed Grain Division.

Pre-emption of H. H. Clarke,
Application for patent made.
Recommended.

If you will turn to Form 58 you will note what has been claimed in the way of residence and improvements.

This man is in good standing under the amendments of 1914 and could be granted patent on payments being made in full.

He is also under the present amendments to the Act entitled on application to a Certificate of Recommendation.

Payments have not been completed, or at least the Agent has not reported payments.

Mr. Clarke has applied for and obtained a Soldier Warrant of $2000.00 and the amount due on the pre-emption will, of course, be deducted from this $2000.00.

I understand that patent for the land is not to issue until the Warrant has been paid and I assume that it would also not be in order to issue a Certificate of Recommendation.

Kindly advise me on this point.

[illegible] the Interior Department that the policy [illegible] be changed for [illegible] sufficient reasons, [illegible] might be stated for consideration. Secretary [illegible] might be made in connection with the revision [illegible] at the coming session.

The present provision is one of great simplicity, and for that reason eminently satisfactory to the Board. Change would only be considered for the purpose of the convenience of the Interior Department [illegible] location if such were made. So long as at the end of the [illegible] term the application for patent is made by the settler and the [illegible] furnished and the recommendation certified by the Interior Department to that the patent might issue at any time in the future, it would appear to sufficiently meet the necessities [illegible] application for patent [illegible] reserved for future [illegible]. If patent were to issue it would require that the charge would become a first mortgage and statutory [illegible] which would be made to read similar to the provisions which were made in connection with charges [illegible] upon homesteads under the old Dominion Lands Act, and [illegible] registered in the registry offices. The question of liability of the Board for taxes also arises [illegible] the part of lands of patentees. In cases of default [illegible] position of the Board [illegible] simpler as at present, [illegible] would better for the Board to have the title, as provided in said Sub-section 7, remain in the Crown [illegible] repayment of loan. At the same time the Interior Department, where duties are prescribed, should take all [illegible] in connection with the application for patent and [illegible] in connection therewith that they would otherwise [illegible] if the patent were [illegible] issued, except that the [illegible] is withheld and not issued.

MEMORANDUM.-

There would appear to be a difference of opinion between Mr. Maber on the one hand, and the Commissioner of Dominion Lands and the Law Clerk on the other, with regard to the immediate issue of patent for a homestead where all the duties have been completed but where there has been a charge registered for an advance made under the Soldier Settlement Act. Mr. Maber takes the ground that it is in the interests of all concerned that pending the repayment of the loan, the title to the land should remain in the Crown. On the other hand, Mr. Greenway and Mr. Daly take the view that the provisions of the Soldier Settlement Act were never intended to alter the specific provisions of the Dominion Lands Act, insofar as the issue of patent is concerned, after the compliance of the required duties.

I am inclined to agree with the view taken by the Commissioner of Dominion Lands and Mr. Daly, but as pointed out by Mr. Maber, there would be some considerable difficulty that would be sure to arise in the matter of taxes, etc., and for this reason, perhaps it might be better to allow the title to remain in the Crown until the repayment of the loan.

Respectfully submitted,

Deputy Minister.

I beg to acknowledge the receipt of your communication of the 6th instant, written on behalf of Captain H. H. Clarke with respect to his application for patent for his pre-emption above described, wherein you state that it would appear before Captain Clarke could validly mortgage this land to the Union Bank of Canada, a certificate of recommendation on form "J" would be necessary and you would be glad if the Department would send it to you as soon as possible.

In reply I may say that a Certificate of Recommendation is only issued where an entrant makes application for patent for a pre-emption or purchased homestead without tendering payment in full. In such a case the holder of an entry may, on application to the Minister, receive a Certificate of Recommendation setting forth that if within the period of time during which the Certificate of Recommendation is in force payment is made in full of the purchase price together with accrued interest, patent may be issued in the name of the holder of the entry and such certificate shall entitle the holder of an entry during such period of time to mortgage, assign or transfer his interest in the land with respect to which the Certificate of Recommendation is issued.

In this case payment has been made in full for the land. Therefore, it would not be possible to issue a Certificate of Recommendation.

I might add that Captain Clarke has secured a loan from the Soldier Settlement Board under Subsection 8 of Section 6 of the Soldier Settlement Act, Chapter 11 of the Statutes of 1917, and for this the above mentioned land will not issued until his indebtedness to the Soldier Settlement Board has been paid in full.

In connection with the above land, I am informed that title has not issued to the South East quarter because of a charge which the Soldier Settlement Board has against it.

Sir,

Re S.W.¼-1-22-2-W.4th M.
Pre-emption - Henry H. Clarke.
Patented 5th July, 1920.

Referring to Mr. Weld's memorandum of the 3rd instant, S.S.B. file No. 3-199, enclosing copy of a letter from Mr. H. H. Clarke making application for a refund of the amount of $499.89 paid on account of principal and interest in connection with his pre-emption by the Soldier Settlement Board in his behalf on the 23rd August, 1916, I am directed to say that whereas this payment was made before the privilege of converting a pre-emption into a soldier grant was withdrawn, it would not appear that the Department is in a position to favourably consider the matter.

Your obedient servant,

Secretary.

OTTAWA, May 5th, 1919.

Memorandum:

Mr. Ross.

Re conversion of pre-emptions and purchased homesteads into Soldier Grants.

Will you please see your memorandum of the 4th ultimo on File 814678, herewith. After consideration of the matter, and with a view to uniformity therein, it has been decided as follows:-

That where patent was issued for a pre-emption or purchased homestead on or before the 7th July, 1919, (the date of the Amendment to the Soldier Settlement Act) a settler is not to be permitted at this late date to convert his entry into a Soldier Grant. He must look to the Soldier Settlement Board for an adjustment and if that Board will give him special authority to take a Soldier Grant (as permitted under the legislation applicable prior to the above date), this Department is willing and he may be allowed to make entry for another quarter-section as a Soldier Grant.

That if patent for a pre-emption or purchased homestead has been issued subsequent to the 7th July, 1919, the settler may have the privilege of converting such entry into a Soldier Grant and be refunded the monies paid by him to complete the purchase terms of his entry. In such a case where the settler in earning patent had credited to him residence through Military Service, he will require to re-convey the land to the Crown free of encumbrance and perform or complete the necessary residence duties on the land, or under the vicinity provisions of the regulations, as is the requirement of the Board as a basis of assistance in the re-establishment of returned soldiers. Where, however, the evidence on the Departmental records shows the residence duties to have been completed prior to the issue of patent, independent of any credit from Military Service, the settler need not be required to re-convey, but on the surrender of his attestation Certificate, the patent may be allowed to stand with a subsequent and proper entry of the transfer in the records.

Would you kindly take the necessary action in the matter.

OTTAWA 4th March, 1925.

Mr. Clarke.

Mr. Lane.

S.W.¼ 1-22-2-3. 4th M.
Re-entry pre-emption - Henry M. Clarke.

Mr. Clarke applied for patent for this land on the 23rd July, 1918, claiming duties performed as set forth in Form No. 553 hereunder. He applied for a loan from the Soldier Settlement Board on the security of this land and the amount owing on account of the purchase price was remitted to the Department by the Board. His loan was afterwards paid in full and the patent for the land was accordingly issued in his name on the 5th July, 1920.

On the 3rd October, 1923, a copy of a communication from Mr. Clarke was forwarded to this office by the Soldier Settlement Board, requesting that the amount paid by him on account of his pre-emption does be refunded to him. He stated that at that time he was employed as a Field Supervisor in the employ of the Board. He was advised that as the payment of the purchase price was made by him before the privilege of converting pre-emptions into soldier grants was allowed his application could not be considered. His request was reported to this office by the Land Agents' Branch on the 17th September, 1923.

Mr. Clarke has again communicated with the Department, asking for anything possible to be done for him in connection with the surrender of his pre-emption entry into a soldier grant.

According to Form No. 553, he has one and possibly two terms of residence which can be counted to his credit in connection with his entry if converted into a soldier grant and had 160 acres under cultivation. He will therefore, if allowed to take this land as a soldier grant, be required to perform at least one term of actual residence. Also, if he is still in the employ of the Soldier Settlement Board the provisions of the regulations whereby a Government employee is considered ineligible to enter for Dominion lands may present a difficulty in this case, especially in view of the fact that further residence will be required of him. In view

- 01 -

--2--

of this fact, it might be advisable to advise Mr. Clarke fully in the matter of the residence which will be required to be performed if he takes the land as a soldier grant, that is provided the fact of his being a Government employee will not prevent this action being taken.

It would appear from correspondence carried on by him with the Soldier Settlement Board that he was issued with an Attestation Certificate in 1919. This document he claims to have lost, and the Board furnished him with a letter to take the place of the said certificate.

He held this preemption before he became a forest employee. He is entitled by military service to a soldier grant entry, and holds what is equivalent to an Attestation Certificate.

He has further residence to perform, and therefore would have to resume to the land before he could get a soldier grant entry. He may not be able to resume, nor may he be in a position to get leave of absence to fulfil residence, but if he is, I think he ought to have the privilege of resuming and re-entering as a soldier grant, with a refund of amount paid.

W. H. H. 4.9.25

Saskatoon. 5th March, 1920.

Dear Captain Biggle,

Adverting to your representations, when you left with me the attached correspondence pertaining to the case of Mr. E. H. Clarke, Field Supervisor of the Soldier Settlement Board, Medicine Hat, who wants the privilege of converting his pre-emption into a Soldier Grant, I might say this matter has been looked into very carefully and I find that Letters Patent were issued on the 8th July, 1918.

It is not usual to grant an entry of any kind to an employee of the Federal Government, but I understand from the Board that Mr. Clarke will in all probability be retired from the service at an early date in the interests of efficiency and economy. In view of this anticipated action, the Department is willing to allow him to convert his entry into a Soldier Grant and to refund any moneys which may have been paid. It will be necessary for Mr. Clarke to reconvey to the Department the title to his land, free of encumbrance, when it would be necessary for him to complete the duties for the Soldier Grant in the manner prescribed by the regulations.

The Department tells me that Mr. Clarke has one, and possibly two terms of residence which can be counted to his credit in connection with his Soldier Grant entry, but a statement could be furnished showing what has been done in the way of residence and cultivation since July, 1918, and this would enable the Department to say definitely what further duties, if any, would have to be completed for the earning of patent.

Yours

Captain C. J. Biggle,
Chateau Laurier,
Ottawa.

I am asking that Mr. Pierce be advised independently of the requirements that will be necessary for the carrying of patent if he converts his entry into a Desert Grant.

Yours very truly,

[illegible] L.L.

[illegible]

OTTAWA 11th March, 1925.

Mr.

S.E. 1-21-6-W. 4th M.

According to recent representations which have been made to the Department on your behalf, it appears that you wish to abandon your pre-emption entry for this quarter-section and take up the land as a soldier grant.

No patent for this land has already issued to you. If you wish to take this course it will be necessary for you to reconvey to the quarter-section to the Crown free of all encumbrances before any further action can be taken.

As you obtained patent for this land by [illegible] credit for your military service you must understand that in the event of the transfer being allowed to a soldier grant it will be necessary for you to perform further residence as at the date on which you applied for patent i.e. July, 1923. You did not claim sufficient residence to satisfy the requirements of the Department with respect to soldier grant entries. According to the evidence on file you have one full term of residence which can count in connection with a soldier grant entry. With regard to the second term, the evidence on file shows that you are several days short, and if you are allowed to take up this land as a soldier grant it is possible that two terms of residence will require to be performed.

If you wish to furnish the Department with a declaration on the enclosed form No. 46 setting forth the residence which you have performed on this land and on your patented homestead since your original entry, giving the exact date of the commencement and termination of each period of residence, you will be advised further in this regard.

This letter, however, is not to be taken as any assurance that you will be allowed to convert this pre-emption into a soldier grant as you are at present an employee of the Government and as you are no doubt aware such employees are not allowed to make entry for [illegible] soldier grant.

Yours truly,

[illegible]
Dominion Lands Settlement Board.

Alberta.

OTTAWA 16th May, [illegible].

Sir,

S.W.¼ 1--22--2 W.4th M.

I am in receipt of your letter of the 1st instant together with a declaration as to residence and other duties performed on the South Half of Section 1, in support of your desire to have the pre-emption converted into a soldier grant.

According to your statements the residence which you performed from September 1915 to 1st March, 1916, was insufficient to complete one full period of six months residence, and the period of your residence from the 4th December, 1917, to October, 1919, was sufficient only to credit you with the performance of six months residence in each of two years.

Under the circumstances, if your pre-emption were converted into a soldier grant, it would be necessary for you to perform a further period of six months residence within the meaning of the regulations.

You were advised on the 11th March last with respect to the necessity of reconveying title to the pre-emption to the Crown free of all encumbrance before any action could be taken with a view to converting your pre-emption into a soldier grant.

MEMORANDUM: Ottawa, 29th August, 1925.

Mr. Cory.

Re - S.W.¼ 1-22-2-W.4th M.
Pre-emption - Henry H. Clarke,
Patented 5th July, 1920.

Please see your Reference #7549, on File #2508727, herewith, in connection with which you have asked for a report.

With respect to this case I beg to say the application for patent credits the entrant with one term of residence in connection with the quarter section, but later information would indicate that further actual residence has been performed which is barely sufficient to establish three full terms and under ordinary circumstances Mr. Clarke would be required to reconvey his patented pre-emption to the Crown and complete the residence requirements under the regulations in that regard.

However, letters patent for the pre-emption having issued in his favour and as he apparently is not in a position to complete the further residence conditions, and as it would seem there is only a small shortage, I would recommend as a special case that on submission of evidence in the form of an application for patent, supported by the evidence of two witnesses, that he has performed residence duties as claimed, and upon submission of an Attestation Certificate establishing his eligibility for soldier grant entry, conversion of the pre-emption entry be carried out in the records in the usual manner and monies paid on account of the purchase price be refunded.

Commissioner.

Assistant for the District in which the land is situate.

It is also permissible for a settler to convert his pre-emption into a soldier grant by proxy, but where this is done the application for conversion must be made before the Agent for the district. The proxy must require to have in his possession the soldier's Declaration of Attestation, Authority signed by the settler to make entry as proxy, a Declaration from the settler in form No. 103 showing the land selected, and a declaration of abandonment of the pre-emption entry.

The privilege of converting a pre-emption or purchased homestead entry into a soldier grant can only be allowed where the entry is not the subject of cancellation proceedings.

Where patent was issued for a pre-emption or purchased homestead on or before the 7th July, 1919, (the date of the Amendment to the Soldier Settlement Act) a settler is not hereafter to be permitted to convert his entry into a soldier grant. He must look to the Soldier Settlement Board for an adjustment, and if that Board will give him special authority to take a soldier grant (as permitted under the legislation available prior to the above dated, he may be allowed to make entry for another quarter Section as a soldier grant.

If patent for a pre-emption or purchased homestead has been issued subsequent to the 7th July, 1919, the settler may have the privilege of converting such entry into a soldier grant and be refunded the moneys paid by him to complete the purchase terms of his entry. In such a case, where the Settler in earning patent had credited to his residence through military service, he will require to reconvey the land to the Crown free of encumbrance, after which he may have the entry converted into a soldier grant entry and he will then require to perform the necessary residence duties on the land, or have the usual deductions of the regulations.

Where, however, the evidence on the homestead shows the residence duties to have been completed prior to the issue of patent, independent of any credit from military service, the Settler need not be required to perform, but may have his Attestation [illegible]. Pre-emption - Reuben North.

Please see Mr. Lechmere's memorandum of the 13th instant, on file 177458, herewith.

In this case it is shown that the residence requirements to obtain patent for the pre-emption were completed by virtue of military service. Under the circumstances and in accordance with the strict interpretation of the Regulations Mr. North should reconvey his pre-emption to the Crown before conversion of entry into a soldier grant and refund of the purchase price could be effected.

The Abstract of Title shows the land is subject to a mortgage for the sum of $[illegible], which would under any circumstances make it difficult to reconvey and as he has now submitted evidence, corroborated by two witnesses, that since making application for pre-emption patent he has lived on his pretended homestead for a sufficient length of time to credit him with six full terms of residence, I would recommend that such evidence be accepted as establishing his claim to conversion of entry and refund of purchase price without being called upon to reconvey the land to the Crown.

If you approve I would recommend that this ruling be applied in all cases under exactly similar conditions.

Sir.

Re S.W. [illegible], W.4th M.
Henry Hearn Clarke.
Agency file No. 111808.

I beg to inform you that whereas Henry Hearn Clarke was granted letters-patent for his pre-emption on the 5th July, 1920, he was not in a position as intimated in the Departmental letter of the 3rd September, 1925, to abandon his entry in the ordinary way for the purpose of re-entering for the land as a soldier grant.

In this case it was decided that if Mr. Clarke was in a position to furnish proof of the performance of the requisite settlement duties in connection with his pre-emption, in the form of an application for patent, without regard for military service, in the manner set out in his statutory declaration of the 1st May, 1925 (forwarded by Mr. Clarke to this office direct) his pre-emption entry would be converted into a soldier grant, and the purchase price refunded without the formality of reconveyance of title, subject, however, to the surrender of his Certificate of Attestation. Having complied with these requirements there was no necessity for an abandonment of the entry (of which there is no record here) or for application being made for entry as a soldier grant, as recorded by your office on the 6th September, 1925. Your action has had the effect of recording an entry against patented land, a position which has no force and effect legally.

Under the circumstances, you will please cancel the soldier grant entry in question, and report your action to the Department by special letter in order that similar action may be taken in regard to the records here. Furthermore, you may make a note that whereas Mr. Clarke has furnished proof of the performance of the required duties without regard for military service, the land may be recorded as patented soldier grant in accordance with the circulars of the 26th May and 14th July, 1924, respectively.

I may add that the sum of $[illegible].74, being the amount paid on account of the purchase price, was refunded to Mr. Clarke by cheque No. 56413 on the 14th January last.

In reply to your letter of the 6th instant, I beg to advise you that the only manner in which such crops, fodder or relief indebtedness due the Crown may be cancelled or adjusted is through the recommendation of the Soldier Grain Adjustment Board, ratified by Order in Council. The abandonment of land does not in any way relieve the debtor of his obligation.

A copy of your letter is being forwarded to the Soldier Grain Adjustment Board, and when the recommendation of that body has been received and ratified, you will be duly advised.

Your obedient servant,

Deputy Minister.

Dear Sir:

re: N.½ 8-22-1-W.4th;
S.½ 1-22-2-W.4th.

We have your letter of the 6th of March, 1953, informing us that there are Dominion liens for $244.65, $130.70 and $166.00 registered against the above land in the name of William James Collins Bicknell and asking the least amount that will have to be paid in order to get clearance of these liens. Our account is for seed grain, fodder and relief obtained by Mr. Bicknell in 1915 and 1922. The present standing is as follows:-

Principal	Interest	Total
$ 280.65	$ 487.49	$ 768.14

In order to assist your client in clearing the title to his land if he will remit the sum of $280.65, being the principal amount only, it will be recommended to the Seed Grain Advisory Board that this be accepted in full settlement of the Federal indebtedness.

Yours very truly,

Re: Account of W.J.C. Bicknell,
W.½ 8-22-1-W4. & S.½ 1-22-2-W4.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 and 1922 seed grain, fodder and relief amounting to $578.95 were advanced to W.J.C. Bicknell on the security of the S.W. 21-21-1-W.4 and S.½ 1-22-2-W.4th and later became attached to the W.½ 8-22-1-W.4th. The following payments were received and applied to principal and interest: 1917 - $299.30; 1928 - $40.13; $30.83 and $7.36. The present standing of this account is:-

Principal	Interest	Total
$ 280.65	$ 487.49	$ 768.14

On the 6th of March, 1953, S.W. Keeton, Barrister, Leader, Saskatchewan, wrote as follows:-

"Certificates of title recently issued by the Land Titles Office at Calgary covering the above noted lands are endorsed with relief lien of the Dominion Government as follows:-

$244.65 for seed grain, $ 30.70 for fodder, $166.00 for relief

the lien in question having been registered on the 30th of December, 1916, as No. 2562[illegible].
The Executors of the estate, being two of the deceased's sons, seem to be under the impression that their father paid this account many years ago. I shall be pleased, therefore, if you will check the matter and let me hear from you; and in case it appears that the account has not been cleared I shall be pleased if you will let me know the least amount that will have to be paid in order to get a clearance.
I understand that the above lands are not very valuable on two accounts: first, that the soil itself is not very good, and, second, because the lands lie in a district which is notoriously low in sufficient moisture."

After negotiations the sum of $280.65, representing the principal amount, has been received in full settlement of our claim. In view of the payments made, this is considered equitable.

C.W. Gilchrist.

1. That the Minister apportion and adjust the indebtedness more particularly described in the attached report, so that on application of the sum of Two hundred and eighty dollars and sixty-five cents ($280.65) the debt will be paid.

[illegible] for transfer of Soldier's land [illegible] Soldier Settlement Act.

Re: [illegible], Ontario.
[illegible] (S.E.)

The above described land was purchased by this settler under Soldier grant entry. The settler has [illegible] default in the terms of his agreement with the Board and abandoned the land. His agreement has been cancelled.

The settler was credited with a loan [illegible], and in his [illegible] amounts from the Board amounting to $[illegible], as follows: Stock and equipment, $[illegible]; taxes, $[illegible]; [illegible] fees, $11.50. As security the Board holds a mortgage on the settler's soldier grant. The only other land security held by the Board in this case is title to the N.W. 1/4 12-32-1-W.4th, the former homestead of this settler.

This settler operated his farm until the crop of 1923 was [illegible]. He made his payment and paid taxes in the fall of 1923 from the Board's share of the crop and called for seed grain in the spring of 1924. This request was not granted as he failed to live up to his contract with respect to the Board's share of crop in 1923. No crop was sown in 1924. By a letter written to the Board, 1924, requesting his interest in regarding the cancellation of his farm and in reply he stated that it would be a loss of time and money to continue farming this land. He then moved to [illegible], North, from which place he advised the Board that he had purchased other land. His agreement with the Board was cancelled pursuant to a writ [illegible] dated the 11th March, 1927.

The settler's indebtedness to the Board amounts to $[illegible]. We have no information on file as to the amount of arrears of taxes in this case. There has been no recent appraisal made of this settler's holdings. The latest valuation placed on the soldier grant is $[illegible]. The patented homestead is also valued at that figure. This half section is situated in what is commonly the arid area and from a study trip of country most of the settlers have abandoned their holdings. It is very doubtful whether the land can be sold at their appraised value as there is plenty of open range in the district and property can be purchased for the amount of taxes against it. No arrangements have been made for the disposal of this land and no offers have been received.

The land in question being Crown land within the meaning of section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement made with the Board, it is hereby recommended that the right, title and interest of the said settler in the above land be forfeited and the same [illegible], title and interest of the settler and also the right, title and interest of the said [illegible] Crown land be vested in the Board.

Re - S. E. 16 & S. E. 15-25-1 W 4

I am in receipt of your letter of 11th ultimo, and it is noted that you have made a distribution from the results of this year's crop to other than the Crown indebtedness, but it should be understood by you that you did so with full cognisance of the outstanding amount, as you have annually been furnished with statements showing your indebtedness. And in addition, it is noted that the Agent of Dominion Lands at Calgary brought the matter to your attention, as well as communications from this office.

Consequently your failure to make any payment of this long outstanding debt which was contracted over ten years ago, can only be taken as an indication that you are avoiding payment, and unless an energetic effort is made by you to substantially reduce your account from next year's crop, the Department will be constrained to take other measures for the collection of this account.

Re: Account of Patrict Stephen Burke,
S.W.¼ 15 & S.E.¼ 16-25-1-W4.

Dear Madam:

During the year 1915 while homesteading the above mentioned land, Mr. Patrict Stephen Burke received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $981.43 of which $323.85 is principal and $657.58 is interest.

The Seed Grain advisory board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. McCapelain,

Dear Madam:

Re: S.E. 15 & S.W. 16-25-1-W.4th

We wish to thank you for your letter of the 25th of January, 1956, informing us of the difficulties you have met with in farming the above quarter sections and asking if this Department will grant some reduction in the account of P. S. Burke charged against your land.

We believe that your case is worthy of sympathetic consideration and, no doubt, the Seed Grain Advisory Board will agree to a compromise settlement. In order to assist you in clearing your title, if you will remit the principal amount of $323.85 within a reasonable time, it will be recommended to the Board that this sum be accepted in full settlement of the Federal account and that the accrued interest of $641.10 be cancelled.

Your cheque or money order should be made payable to the Receiver General of Canada and forwarded in care of the undersigned.

Yours very truly,

C. A. LeCapelain,
Chief, Lands Division.

You wrote to us on the 16th of February, 19[illegible] on behalf of Mrs. Alice [illegible] concerning the account of her late husband, Muriel [illegible] Burke owned against the above land.

You have stated that the best offer you believe your Soldier Grain Advisory Board can expect is the sum of $2[illegible].00. In view of the additional extenuating circumstances, we believe that this offer will be satisfactory.

Mrs. Burke's cheque or money order should be made payable to the Receiver General of Canada and forwarded in care of the undersigned.

Re: Account of Patrick Burke
S.E. 16-25-1-W.4th
S.W. 15-25-1-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned farm is referred to [illegible] constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $[illegible].85 were advanced to Patrick Burke on the security of the S.E. 16-25-1-W.4th and later the liens became attached to the S.W. 15-25-1-W.4th. No payment was ever made on this indebtedness until the sum of $200.00 was received when the standing of the account was:-

Principal	Interest	Total
$323.85	$657.58	$981.43

In reply to our recent inquiry concerning the Federal indebtedness charged against this land, Mrs. Alice A. Burke, Baptist Haven of Rest, Medicine Hat, Alberta, on the 29th of January, 1936, wrote as follows:-

"The account [illegible] against [illegible]
S.W. 15 & S.E. of 16-25-1-W.4th

I beg to state that we were never able to pay this owing to drought conditions for a series of years. Then when I did grow a good crop I was billed out I could not get the cornel. The rentals up to date the worst years has not been large enough to meet expenses.

I would like the deed or title cleared if possible so please let me know what you can do as it means some-thing to me. I am only 67 years next 3rd of July.

Trusting you will [illegible] this within my means to pay expenses are higher than Mr. Tills."

The assessed value of each of these Quarter Sections in 1932 was only $690.00.

After negotiations the sum of $[illegible].00 being approximately two thirds of the principal has been received in full settlement of our account. In view of the circumstances and the low value of the land, this is considered equitable.

RE ORDER FOR SEED GRAIN

Sir:—

Your application for seed grain has been approved. Enclosed please find order which states the amount of seed grain that has been allotted to you and which is sufficient to seed all the unpatented land you have now ready for seeding.

Have you enclosed liens carefully and duly executed in duplicate before a Commissioner of Oaths, Justice of the Peace or a Notary Public, sign where the black (x) is. Witness signs in three places, where the red x is. You will then deliver same to the party who is to supply you with seed, together with the enclosed order and letter of instructions to same. You will also sign the receipt provided after satisfying yourself that the seed is of good quality, right weight, and free from all seed.

No changes must be made in the liens or any other papers sent you. Any change made without authority from this office cancels all papers.

If you have made any other arrangements regarding your seed you will return these papers to us at once, as the amount stated on the liens is now covered against your land.

You must promptly have this matter attended to at once.

outstanding.

The Certificate of Recommendation issued in connection with the above preemption expired on the 17th June, 1920; it has not been renewed.

The amount due on the preemption with interest to the 1st November, 1923, is $663.38. The Seed Grain indebtedness with interest to the 31st March, 1924, amounts to $856.35.

Inspector Murcombe while on collection work reported 17th January, 1924, that Mr. Dodd left the district some years ago and his address is unknown. The land is rolling with some stone, suitable for homestead if person has other land in the vicinity, otherwise fit for grazing only. Value $6.00 per acre.

Cancellation proceedings were commenced against the entry for non-payment, 17th March, 1924. No defence has been filed. The Registration Abstract dated 31st May, 1924, records the filing of two seed grain liens only.

It would appear that the preemptor has deserted the land and I would suggest summary cancellation.

Re: Account of Ernest L. Dodd
N.E. 19-17-9-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1918 and 1919 seed grain amounting to $647.25 was advanced to Ernest L. Dodd on the security of the above mentioned land. No payment has ever been made and the present standing of this account is:

Principal	Interest	Total
$ 647.25	$ 1,297.08	$ 1,944.33

The N.E. 19-17-9-W4 was formerly the pre-emption entry of Ernest L. Dodd whose entry was cancelled on the 12th of June 1924.

This parcel is presently held under grazing lease No. 33488 issued by the Province of Alberta and as such is unlikely to be used again for farming.

Under the circumstances the land no longer offers any security of value forour advances. It is, therefore, recommended that the indebtedness be cancelled.
